**FOIA RESPONSE**

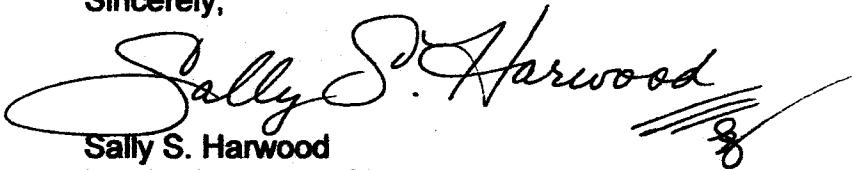

Ms. Judy Oisten

Dear Ms. Oisten:

This letter is written in response to your Freedom of Information Act ("FOIA") request dated August 25, 2008, which you filed with Michigan State University. The Michigan Freedom of Information Act ("MIFOIA") is an avenue through which records may be sought, not a question/answer forum. Your August 25 request is posed as a series of questions, and as such does not constitute a legitimate request under MIFOIA. Nevertheless, as a courtesy we sought records reflecting information responsive to your request. A record reflecting information responsive to your request is enclosed.

No fee will be assessed for the processing of this request.

Sincerely,

Sally S. Harwood  
Interim Freedom of information Act Officer
